Are you currently in need of shelter or housing?

If you are struggling to remain in your home, sleeping in your car or outside, Call EightCAP, Inc.’s **Homeless & Housing Hotline** at **1-616-225-5965** (direct dial) or **Toll-Free 1-866-754-9315; press 3** to learn about available shelter and housing assistance in Gratiot, Ionia, Isabella & Montcalm Counties.

Limited resources are available to help people who are behind in their rent or doubled-up with family or friends and can no longer stay. Please note that demand for these services far exceeds the resources available.

You will be asked to leave a message. Please speak slowly and clearly, leaving your name, phone number, the county which you currently reside, and a brief message about why you are calling. Your call will be returned as soon as possible, within 5 business days. Please leave only one message. Calls are returned during EightCAP, Inc.’s normal business hours, **Monday-Friday, 8:00 am – 4:30 pm**, except for holidays and when offices are closed.

Please make sure your voicemail is set up and your mailbox is NOT full so a message can be left for you.

A staff person will speak with you about your situation. The call will take some time, so be sure you have minutes on your phone or use a phone that is not time limited.

For additional Community Resources (such as food, clothing, utility assistance, etc.) please visit [www.8cap.org](http://www.8cap.org) and click on the Community Resource Directory for your county.

**HOMELESS** is defined by the United States Department of Housing and Urban Development (otherwise known as HUD) as demonstrating a lack of a fixed, regular, and adequate night-time residence meaning the household:

1. Has a primary night-time residence that is a public or private place not meant for human habitation; or,
2. Is living in a publicly or privately-operated shelter designated to provide temporary living arrangements (including congregate shelters, and hotel/motels paid for by charitable organizations or by federal, state, or local government programs, this does not include transitional housing).
INTRODUCTION

In this directory you will find valuable information for rental housing in your community. Names and phone numbers of local landlords and property managers who provide rental housing (such as apartments, mobile homes, duplexes, houses, etc.) and basic rental guidelines on those properties. At the time of this printing all information in the directory was accurate, but it can change at any time. We try to keep all contact information changes up to date, on our website at www.eightcap.org as we become aware of them.

EightCAP, Inc., as the Housing Assessment and Resource Agency (HARA) in the county, registers and places homeless households on the Housing Choice Voucher (HCV) Waitlist with a Homeless Preference Code. This rental assistance voucher program is administered by Michigan State Housing Development Authority (MSDHA) in conjunction with Community Management Associates, Inc. (CMA).

Housing Vouchers/Rental Assistance Information

**HCV Project Based Voucher (PBV)/Public Housing/Section 811**
Overseen and funded federally through HUD, administered locally by Public Housing Authorities/Agencies (PHA’s), this program provides affordable apartments & houses for low-income families, the elderly, and persons with disabilities.

♦ Household income must fall within allowable limits set forth by HUD.
♦ Most assisted individuals/families will pay no more than 30% of their income towards rent.
♦ PHA’s can choose to require residents to pay a minimum rent of $50 even if it is more than 30% of their income, and tenants can opt to pay a flat rent based on local Fair Market Rent (FMR) regardless of their income.
♦ The rental voucher or reduced rental rate is only valid at that particular housing unit.
♦ To apply, contact your area PHA (see directory for contact information of local PHA’s).

PBV waiting lists MAY remain open and county residency is not a requirement. You cannot apply online to a project-based voucher waiting list, only a Lead Agency assigned to the property can determine your initial eligibility for placement.

**Housing Choice Voucher (HCV)/Section 8 Program**
Administered state-wide through MSHDA and locally by PHA’s. MSHDA receives federal funds from HUD to administer the voucher program. The number of vouchers vary per county and per agency. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single-family homes, townhouses, and apartments.

♦ Household income must fall within allowable limits set forth by HUD.
♦ A Household who is issued a voucher is responsible for finding suitable housing, where the owner agrees to rent under the program.
♦ Units do not have to be located in subsidized housing projects.
♦ The housing unit chose must meet Housing Quality Standards (HQS) Inspection and rental limits set forth by HUD.
♦ Monthly rent is based upon income, 30%, with minimum rent being $50.
♦ Can only apply to open waiting lists and must be able to prove residency at the time of pull.

**MAINSTREAM VOUCHER PROGRAM**
Overseen and funded federally through HUD, administered locally by Public Housing Authorities/Agencies (PHA’s), Public housing agencies (PHAs) can apply for Mainstream Vouchers when HUD issues a Notice of Funding Availability (NOFA). These are tenant-based vouchers must assist non-elderly persons with disabilities. Mainstream vouchers can be either tenant-based or project-based rental assistance.

To apply for the HCV wait list in your county, go to [www.michigan.gov/mshda](http://www.michigan.gov/mshda) and click on then click Check to see if your county is listed as open. If so, you can apply. Follow the instructions to do so. If it is not open, you will have to check back periodically and apply when it does open up. If you have already applied to a MSHDA waiting list and have a change of address, phone number, income, or family size, you must log in to Applicant Portal to update your information. If you are “literally homeless” (see
Housing Vouchers/Rental Assistance Information (continued)

HUD definition on page 1 of this directory) please contact the Housing Assessment and Resource Agency (HARA) in your area (EightCAP is the HARA for Gratiot, Ionia, Isabella, & Montcalm Counties) Only a State approved homeless agency can qualify an applicant for the homeless preference.

If you are currently on the Housing Choice Voucher program (HCV) and have questions, contact your Housing Agent. A current listing of Housing Agents by county is located at the following link: [www.michigan.gov/mshda/rental/housing-choice-voucher/hcv-housing-agencies](http://www.michigan.gov/mshda/rental/housing-choice-voucher/hcv-housing-agencies)

The Housing Agent for Gratiot, Ionia, Isabella, & Montcalm Counties is:
Community Management Associates (CMA)
1-877-796-8883
staff@cma-inc.org

Privately Owned Subsidized Housing
Overseen and funded federally through HUD and helps apartment owners offer reduced rent to low-income households.

♦ Apply directly to the apartment complex.
♦ Household income must fall within allowable limits set forth by HUD.
♦ The assisted individual/family will pay 30% of their income towards rent, with a minimum rent determined by the apartment complex.
♦ See the listings in this directory (income-based, tax credit/LIHTC, subsidized) for more information.

HUD-Veterans Affairs Supportive Housing (HUD-VASH)
Combines HCV rental assistance for homeless Veterans with case management and clinical services provided by the Department of Veterans Affairs (VA) at VA Medical Centers and community based outreach clinics.

♦ Families select and rent units that meet program housing-quality standards. The PHA contracts with the owner to make payments directly to them on behalf of the individual/family.
♦ The assisted individual/family will pay no more than 40% of their income towards rent. You can not apply for this program on-line; you must contact your local VA or call the Section 8 office at 517-373-9344 for more information.
♦ The VASH program operates similarly to the Section 8 Housing Choice Voucher program, but is only available to homeless Veterans. Household income must fall within allowable limits set forth by HUD.
♦ This waiting list is open indefinitely.
*This directory is intended as a guide for assisting in finding rental housing and providing resources on such. It does NOT depict a complete list of ALL properties for rent in the community.

SER (State Emergency Relief): Home, Utilities & Burial

Immediate help may be available if you are facing conditions of extreme hardship or emergencies threatening your health and safety. State Emergency Relief and the Weatherization Assistance Program combine financial assistance and contracts with a network of nonprofit organizations to help low-income households.

Emergency support is designed to maintain low-income households that are normally able to make ends meet but occasionally need help when unexpected emergency situations arise. Emergency support is not an appropriate solution to ongoing or chronic financial difficulties. For ongoing reductions to your energy expenses, be sure to check out the Weatherization Assistance Program.

Relocation Assistance

If you need help with rent, rent arrearage, security deposits or moving expenses, and one of the following circumstances exists for your household, you may be eligible for relocation assistance.

- Homeless, living in a shelter, a car, or on the street.
- Living temporarily with other persons following a fire or natural disaster that occurred not more than 60 days before the date the group files an application for emergency relief.
- Living with other persons to escape a domestic violence situation.
- A court summons or judgment was issued which will result in the family group becoming homeless.
- Your family group needs adequate housing to avoid a foster care placement or before a child(ren) can return home from foster care.
- A MDHHS employee determines the family must be relocated from unsafe housing or for the protection of the children.
- The group receives final written notice to vacate condemned housing from a local public agency authorized to issue such an order.

Relocation housing must be affordable (total housing costs cannot exceed 75 percent of the group’s net income). Applicant(s) must have good cause for non-payment of their shelter obligation during the last six months, regardless of the reason they are in need.

SER assistance may also be available for:

- Home repairs (furnace, water heater, septic)
- Burial/cremation needs
- Home Ownership assistance (property taxes, mortgages/Land Contract payments, lot rent)
- Heat/electric payments
- Weatherization
- Home heating credit

HUD EQUAL ACCESS RULE FACT SHEET

BACKGROUND

HUD’s final rule on Equal Access in accordance with an individual’s gender in Community Planning and Development Program’s was published on September 21, 2016. Its purpose is to protect lesbian, gay, bisexual and transgender individuals and families from discrimination in Department of Housing and Urban Development (HUD) programs and to set an example to the private market.

Note: This rule is not a law, or an amendment to the federal Fair Housing Act, which protects against discrimination in housing based on race, color, national origin, religion, sex, disability, or familial status (whether or not you have children). It is simply a new regulation applied to HUD-funded housing and housing providers.

DEFINITIONS

Sexual Orientation: Refers to whether a person identifies as homosexual, heterosexual, or bisexual.

Perceived Gender Identity: Refers to the gender with which a person is perceived to identify based on that person’s appearance, behavior, expression, or gender-related characteristics, sex assigned at birth, or identification in documents. This includes types of gender expression not stereotypically associated with the sex a person was assigned at birth.

THE RULE:

EQUAL ACCESS PROVISION

The rule establishes a new Equal Access Provision

- Housing that is financed, insured, or assisted by HUD must be made available without regard to actual or perceived sexual orientation, gender identity, or marital status.
- Types of HUD funding the rule covers: HUD Community Planning and Development (CPD) Programs, including the Emergency Solutions Grant (ESG), Housing Opportunities for Persons with Aids (HOPWA), Shelter Plus Care (S+C), Supportive Housing Program and any other HUD-assisted programs. Private housing providers with no FHA loan are not subject.

FEDERAL HOUSING ADMINISTRATION LOANS

The rule adds sexual orientation and gender identity to the existing FHA equal access provision

- Prohibits lenders from determining eligibility for FHA-insured loans on actual or perceived sexual orientation and gender identity.

DEFINITION OF FAMILY

The rule clarifies the definition of “family” and “household” to include LGBT inclusive language

- “Family” now includes persons regardless of actual or perceived sexual orientation, gender identity, or marital status.
- This is crucial because the definition of family determines who is eligible to participate in a HUD program.
- Applies to certain programs only: Emergency Solution Grant (ESG), Section 8, Public Housing, FHA, Community Development Block Grants, Housing Opportunities for Persons with AIDS (HOPWA), 202/811 (elderly and disabled assisted housing).

PROHIBITION OF INQUIRIES

The rule prohibits inquiries about sexual orientation and gender identity

- Prohibits owners and operators of HUD-funded housing, or HUD insured housing (FHA loans), from inquiring about an applicant or occupant’s sexual orientation or gender identity, or denying an applicant housing on that basis.
- Any mortgage lender that provides FHA loans must follow this provision, even if an individual is seeking a non-FHA loan.
