INTRODUCTION

EightCAP, Inc. welcomes you to the latest version of the Housing Resource Guide. Our staff has compiled and maintained this guide for several years as a tool in assisting residents throughout the area find and maintain housing.

In this guide, you will find valuable information about rental housing in your community, including tips for searching for properties, contacting landlords, and being a responsible tenant. It provides geographic information for the county, details on MSHDA and housing vouchers, and lists area housing commissions/public housing authorities. Additionally, you will find names and phone numbers of local landlords and property managers who offer various rental options, such as apartments, mobile homes, duplexes, and houses, along with basic rental guidelines for these properties. The guide also includes other resources for potential assistance with housing needs.

At the time of this printing, all information in the directory was accurate, but is subject to change at any time, without our knowledge. The latest version date can be found on the cover. The newest versions available are kept posted on the EightCAP website.

Project Based Voucher (PBV)/Public Housing/Section 811 (local Housing Commission/Authority)

- ◆ Household income must fall within allowable limits set forth by HUD. (https://www.michigan.gov/mshda/rental/property-managers/compliance/income_rent_and_utility_limits)
- ◆ Most assisted individuals/families will pay no more than 30% of their income towards rent.

- ◆ The rental voucher or reduced rental rate is only valid at that particular housing unit.
- ◆ To apply, contact your area PHA (see directory for contact information of local PHA's).

PBV waiting lists MAY remain open and county residency is not a requirement. You cannot apply online to a project-based voucher waiting list, only a Lead Agency assigned to the property can determine your initial eligibility for placement.

Housing Choice Voucher (HCV)/Section 8 Program (MSHDA)

Administered state-wide through MSHDA and locally by PHA's. MSHDA receives federal funds from HUD to administer the voucher program. The number of vouchers vary per county and per agency. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single-family homes, townhouses, and apartments.

- ◆ Household income must fall within allowable limits set forth by HUD.
- ◆ A Household who is issued a voucher is responsible for finding suitable housing, where the owner agrees to rent under the program.
- ◆ Units do not have to be located in subsidized housing projects.
- ◆ The housing unit chose must meet Housing Quality Standards (HQS) Inspection and rental limits set forth by HUD.
- ◆ Monthly rent is based upon income, 30%, with minimum rent being \$50.
- ◆ Can only apply to open waiting lists and must be able to prove residency at the time of pull.

MAINSTREAM VOUCHER PROGRAM (local Housing Commission/Authority)

Overseen and funded federally through HUD, administered locally by Public Housing Authorities/Agencies (PHA's), Public housing agencies (PHAs) can apply for **Mainstream Vouchers** when HUD issues a Notice of Funding Availability (NOFA). These are tenant-based **vouchers** must assist non-elderly persons with disabilities. Mainstream vouchers can be either tenant-based or project-based rental assistance.

To apply for the HCV wait list in your county, go to www.michigan.gov/mshda and click on

then

Check to see if your county is listed as open. If so, you can apply. Follow the instructions to do so. If it is not open, you will have to check back periodically and apply when it does open up. If you have already applied to a MSHDA waiting list and have a change of address, phone number, income, or family size, you must log in to Applicant Portal to update your information. If you are "literally homeless" (see

Housing Vouchers/Rental Assistance Information (continued)

HUD definition on page 3 of this directory) please contact the Housing Assessment and Resource Agency (HARA) in your area. Only a State approved homeless agency can qualify an applicant homeless preference (EightCAP is the HARA for Gratiot, Ionia, Isabella, & Montcalm Counties)

If you are currently on the Housing Choice Voucher program (HCV) and have questions, contact your Housing Agent. A current listing of Housing Agents by county is located at the following link: <https://www.michigan.gov/mshda/rental/housing-choice-voucher/hcv-housing-agencies>. Be honest in your application: As with pretty much everything else in life, honesty is the best policy when you want to be a good tenant, and it all starts with your application.

Read the lease: Knowing what you're agreeing to before you sign your lease is crucial for being a good tenant. Know and comply with the conditions of your lease/rental agreement. This includes not allowing pets or other people to stay in the unit if this is not allowed, taking care of the yard and trash, etc. Not removing batteries from smoke detectors or taking them when you move. Follow rules about smoking, parking, etc.

Get all utilities put in your name immediately at the move-in: Call the utility companies and transfer billing into your name for all utilities you are required to pay. If this is a problem, seek assistance (DHHS, EightCAP, TrueNorth, The Salvation Army, or other community agencies).

Don't rent more than you can afford: Part of being a good tenant is renting within your means, even when your means you don't get everything you want. The golden rule of housing costs is that they shouldn't account for more than 30 percent of your expenses every month.

Pay your rent: Paying your rent—and paying it on time—is one of the most basic parts of how to be a good tenant. If you know you are having problems, communicate with your landlord right away.

Not sure about something? Just ask: Exceptions to what is stated in your lease will need to be agreed upon between the two of you in writing. Failure to do so can result in some penalties, including fines or an eviction. It will also erode trust in your ability to be a good tenant.

Keep it clean and properly dispose of garbage: Cleanliness in both your apartment and any shared common

areas is a hugely important quality of a good tenant and neighbor. Landlords want tenants who will take good care of their properties and leave them exactly as they found them. While normal wear and tear is acceptable, it's on you to ensure that you do your part to keep the space clean and in good condition. Bins are usually provided, use them!

Submit maintenance requests right away (and in writing): If something's broken, let your landlord know so that they can address it. Especially true if it's a problem with heating, cooling, or leaking, all of which can get more difficult and expensive to solve the longer the problem goes on. In writing and taking pictures allows you both to have records of the correspondence. You are both human and people get busy and forgetful.

Be friendly: Kindness goes a long way. You don't have to build a friendship with your landlord or your neighbors but acknowledging them with a smile and a "hello" is a small gesture that can make a big difference in how they view you as a tenant.

Keep noise levels to a minimum: You want good neighbors, be a good neighbor. Do unto others!

Consider purchasing renter's insurance: Landlords carry insurance to cover their loss only. Their insurance will not cover the loss of your belongings should something occur. Some landlords do require this.

Communicate openly and directly: Speaking of problems, it's always better to communicate what is going on rather than letting things build up and get worse. It's always better to speak up and let your landlord know what's going on, especially since they're not necessarily on the ground at the property very often. Just remember, you are probably not the only tenant, so just make sure that not every problem is worthy of a complaint.

HUD EQUAL ACCESS RULE FACT SHEET

BACKGROUND

HUD's final rule on Equal Access in accordance with an individual's gender in Community Planning and Development Program's was published on September 21, 2016. Its purpose is to protect lesbian, gay, bisexual and transgender individuals and families from discrimination in Department of Housing and Urban Development (HUD) programs and to set an example to the private market.

Note: This rule is not a law, or an amendment to the federal Fair Housing Act, which protects against discrimination in housing based on race, color, national origin, religion, sex, disability, or familial status (whether or not you have children). It is simply a new regulation applied to HUD-funded housing and housing providers.

DEFINITIONS

Sexual Orientation: Refers to whether a person identifies as homosexual, heterosexual, or bisexual.

Perceived Gender Identity: Refers to the gender with which a person is perceived to identify based on that person's appearance, behavior, expression, or gender-related characteristics, sex assigned at birth, or identification in documents. This includes types of gender expression not stereotypically associated with the sex a person was assigned at birth.

THE RULE:

EQUAL ACCESS PROVISION

The rule establishes a new Equal Access Provision

- Housing that is financed, insured, or assisted by HUD must be made available without regard to actual or perceived sexual orientation, gender identity, or marital status.
- Types of HUD funding the rule covers: HUD Community Planning and Development (CPD) Programs, including the Emergency Solutions Grant (ESG), Housing Opportunities for Persons with Aids (HOPWA), Shelter Plus Care (S+C), Supportive Housing Program and any other HUD-assisted programs. Private housing providers with no FHA loan are not subject.

FEDERAL HOUSING ADMINISTRATION LOANS

The rule adds sexual orientation and gender identity to the existing FHA equal access provision

- Prohibits lenders from determining eligibility for FHA-insured loans on actual or perceived sexual orientation and gender identity.

DEFINITION OF FAMILY

The rule clarifies the definition of "family" and "household" to include LGBT inclusive language

- "Family" now includes persons regardless of actual or perceived sexual orientation, gender identity, or marital status.
- This is crucial because the definition of family determines who is eligible to participate in a HUD program.
- Applies to certain programs only: Emergency Solution Grant (ESG), Section 8, Public Housing, FHA, Community Development Block Grants, Housing Opportunities for Persons with AIDS (HOPWA), 202/811 (elderly and disabled assisted housing).

PROHIBITION OF INQUIRIES

The rule prohibits inquiries about sexual orientation and gender identity

- Prohibits owners and operators of HUD-funded housing, or HUD insured housing (FHA loans), from inquiring about an applicant or occupant's sexual orientation or gender identity, or denying an applicant housing on that basis.
- Any mortgage lender that provides FHA loans must follow this provision, even if an individual is seeking a non-FHA loan.
