1. Flexibility: You are in Charge of Your Own Schedule!

Subbing for EightCAP, Inc. 0-5 Head Start allows you to work around your own schedule. You are never obligated to take a substitute teaching assignment that conflicts with your personal schedule.

2. Nights and Weekends Off!

The time off that comes with being a substitute teacher is one of the best parts of the job. You are guaranteed to have your nights and weekends off. There is limited work in the summer as our Building Blocks centers remain open year-round.

3. The Pay is Great!

If you have a high school diploma or GED with a clean bakground, you are welcome to apply. The hourly rate is $12.41. You'll also get the opportunity to get professional development training hours each year.

4. The Benefits of Subbing:

Subbing not only allows you to increase your income, it benefits the children in the classroom as well. Being fully staffed in each classroom allows the day to run smoothly and for everyday activities to be safe and productive as possible. Subs are needed and a very valuable part of our agency.
