Children and families will engage in meaningful learning experiences that build focus, creativity, and problem-solving skills to support growth, independence, and goal achievement.		intellectual learning opportunities and/or making positive efforts for the good of all; join a community of learners in person and digitally as appropriate. ECSQ-PK.AL.7 Exhibit a growing regard for one’s mind and capacity to learn; demonstrate the capacity of consideration for others; show a growing capacity to self-regulate and demonstrate self-efficacy. ECSQ-PK.AL.8 Are becoming accountable or reliable for their actions to self and others.	<b><u>DECA - Examples</u></b> <ul style="list-style-type: none"><li>▪ Listen to or respect others</li><li>▪ Handle frustration well</li></ul>	from initiating and regulating their own learning activities and from interacting with peers. <b><u>Attachment/Relationships:</u></b> When children actively participate in the care of the classroom, they feel more like a part of the classroom community. As a connection to the classroom grows, children tend to display less disruptive behaviors are more likely to develop healthy relationships with peers and adults. <b><u>Self-Regulation:</u></b> Teachers of young children play a vital role in helping children develop foundational self-regulation skills. Fortunately, young children’s everyday experiences offer abundant opportunities for developing self-regulation. As teachers work with intention, children can develop meaningful self-regulatory skills while learning to care for the classroom environment.								
	<b><i>Preschool</i></b> 2. Children will show persistence when faced with challenges, use creativity and imagination during play, and adjust their ideas when new or better solutions are suggested.	<b><u>HSELOF</u></b> <b><i>Cognitive Self-Regulation</i></b> P-ATL 7: Child persists in tasks. P-ATL 9: Child demonstrates flexibility in thinking and behavior.  <b><u>MI Early Childhood Standards/Expectations</u></b> <b><i>Approaches to Learning: Habits of Mind</i></b> ECSQ-PK.AL.1.1 Can be playful with peers and adults. ECSQ-PK.AL.1.3 Create new images or express ideas. ECSQ-PK.AL.1.4 Propose or explore possibilities to suggest what an object or idea might be ‘otherwise’. ECSQ-PK.AL.1.6 Approach tasks and activities with increased flexibility, imagination, inventiveness, and confidence. ECSQ-PK.AL.2.2 Grow in abilities to persist in and complete a variety of tasks, activities, projects and experiences.	<b><u>Pre-K CLASS</u></b> <ul style="list-style-type: none"><li>▪ Behavior Management</li><li>▪ Productivity</li><li>▪ Quality of Feedback</li></ul> <b><u>Conscious Discipline</u></b> <table><tr><td><b>Power</b></td><td><b>Skill</b></td></tr><tr><td>• Attention</td><td>• Assertiveness</td></tr><tr><td>• Free Will</td><td>• Choices</td></tr><tr><td>• Intention</td><td>• Consequences</td></tr></table> <b><u>DECA - Examples</u></b> <ul style="list-style-type: none"><li>▪ Remember important information</li><li>▪ Accept another choice when his/her first is not available</li></ul>	<b>Power</b>	<b>Skill</b>	• Attention	• Assertiveness	• Free Will	• Choices	• Intention	• Consequences	<b><u>Teaching Practices</u></b> <ul style="list-style-type: none"><li>▪ Offer new props or assume a role to help children engage in high-level imaginary play.</li><li>▪ Introduce and continue an ongoing story so children can practice using their working memory to recall the characters and their actions.</li></ul> <b><u>DECA Practices</u></b> <b><u>Initiative:</u></b> Teachers can increase the likelihood that children will be engaged in meaningful ways if the materials and activities provided are designed and selected based on the children’s unique interests, ability levels, and background. <b><u>Attachment/Relationships:</u></b> Adults can facilitate the development of a child’s executive function skills by establishing routines, modeling social behavior, and creating and maintaining supportive, reliable relationships. <b><u>Self-Regulation:</u></b> Children are more likely to learn and to demonstrate appropriate behaviors when they are in a classroom where they are engaged and active.

Social and Emotional Development															
Goal	Objectives	HSELOF • MI Early Learning Standards • PFCE Framework Alignment	CLASS • Conscious Discipline • DECA Alignment	Teaching • Home Visiting • DECA • Family Service Practices	Measurement Tool										
Children and families will build healthy relationships by recognizing and managing emotions, expressing themselves appropriately, and learning to navigate social interactions in positive ways.	Infants and Toddlers 1. Children will develop close relationships with familiar adults and feel secure to explore their environment.	HSELOF Relationships with Adults IT-SE 1: Child develops expectations of consistent, positive interactions through secure relationships with familiar adults. IT-SE 2: Child uses expectations learned through repeated experiences in primary relationships to develop relationships with other adults. IT-SE 3: Child learns to use adults as a resource to meet needs.  MI Early Childhood Standards Well Being ECSQ-IT.A.2 Well-Being: The health and well-being of each infant and toddler is protected and nurtured. Belonging ECSQ-IT.B.1 Belonging: Infants and toddlers experience environments where they know they belong and have a place. ECSQ-IT.B.4 Belonging: Infants and toddlers experience environments where positive connections among families, the program, and the children are affirmed. Contribution ECSQ-IT.E.1 Contribution: Infants and toddlers have opportunities for learning that are equitable, promote social competency, and value each child’s and family’s contribution.	Infant CLASS <ul style="list-style-type: none"><li>Relational Climate</li><li>Teacher Sensitivity</li></ul> Toddler CLASS <ul style="list-style-type: none"><li>Positive Climate</li><li>Teacher Sensitivity</li><li>Behavior Guidance</li><li>Quality of Feedback</li></ul> Conscious Discipline <table><tr><th>Power</th><th>Skill</th></tr><tr><td>• Unity</td><td>• Encouragement</td></tr><tr><td>• Free Will</td><td>• Choices</td></tr><tr><td>• Acceptance</td><td>• Empathy</td></tr><tr><td>• Love</td><td>• Positive Intent</td></tr></table> DECA - Examples <ul style="list-style-type: none"><li>Smile at familiar adults</li><li>Reach for a familiar adult</li><li>Express a variety of emotions</li></ul>	Power	Skill	• Unity	• Encouragement	• Free Will	• Choices	• Acceptance	• Empathy	• Love	• Positive Intent	Teaching Practices <ul style="list-style-type: none"><li>Respond to children’s positive and negative emotions in ways that let children know their feelings are important.</li><li>Convey warmth and affection toward children by smiling, laughing, showing empathy, and use a gentle touch.</li></ul> Home Visiting Practices <ul style="list-style-type: none"><li>Comment positively when parents respond to crying or frustration with positive attentiveness.</li><li>Notice parents’ efforts to convey warmth and affection towards their child by smiling, talking, and using gentle, natural touch. Comment on how their child responds to that affection.</li></ul> DECA PracticesInitiative: Children who feel safe and securely attached to a familiar adult are able to engage in exploring their environment and learn new things. Attachment/Relationships: When children have reliable and trusting attachments to familiar adults, they look to those adults to meet their needs and are eventually then able to develop positive relationships with other adults. Self-Regulation: Children learn to express emotions when they have a secure relationship with familiar adults and are able to look to that adult to help them regulate their strong emotions.	0-1 year olds: TS GOLD dimension 2a; Benchmark average: 2.5  1-2 year olds: TS GOLD dimension 2a; Benchmark average: 3.5  2-3 year olds: TS GOLD dimension 2a; Benchmark average: 4.5

Children and families will build healthy relationships by recognizing and managing emotions, expressing themselves appropriately, and learning to navigate social interactions in positive ways.				<u>Self-Regulation:</u> When children feel a sense of belonging and are beginning to feel confident in their abilities, they are more likely to respond willingly and positively to the guidance and re-direction of caregivers, which is then supporting their emerging ability to self-regulate.				
	<p><b>Preschool</b></p> <p>1. Children will manage a broad range of emotions and express care and concern towards others.</p>	<p><b><u>HSELOF</u></b></p> <p><b><i>Emotional Functioning</i></b></p> <p>P-SE 6: Child expresses a broad range of emotions and recognizes these emotions in self and others.</p> <p>P-SE 7: Child expresses care and concern toward others.</p> <p>P-SE 8: Child manages emotions with increasing independence.</p> <p><b><u>MI Early Childhood Standards/Expectations</u></b></p> <p><b><i>Approaches to Learning: Habits of Mind</i></b></p> <p>ECSQ-PK.AL.4.1 Manage reasonable frustration.</p> <p><b><i>Approaches to Learning: Social Dispositions</i></b></p> <p>ECSQ-PK.AL.6.5 Show an increasing capacity to consider or take into account another’s perspective.</p> <p>ECSQ-PK.AL.7.3 Cope with stress in a reasonable and age-appropriate way.</p> <p>ECSQ-PK.AL.7.7 Demonstrate the ability to care. Can respond with sensitivity or sincerity, later empathy.</p> <p><b><i>Social, Emotional and Physical Health and Development: Social and Emotional Development and Health</i></b></p> <p>ECSQ-PK.SEP. 1.6 Identify a variety of feelings and moods.</p> <p>ECSQ-PK.SEP.2. Expressing Emotions. Children will show increasing ability to regulate how they express their emotions.</p> <p>ECSQ-PK.SEP.3.4 Increase their capacity to take another’s perspective.</p>	<p><b><u>Pre-K CLASS</u></b></p> <ul style="list-style-type: none"><li>Positive Climate</li><li>Teacher Sensitivity</li><li>Behavior Management</li><li>Language Modeling</li></ul> <p><b><u>Conscious Discipline</u></b></p> <table><tr><td><b>Power</b></td><td><b>Skill</b></td></tr><tr><td><ul style="list-style-type: none"><li>Perception</li><li>Acceptance</li><li>Love</li></ul></td><td><ul style="list-style-type: none"><li>Composure</li><li>Empathy</li><li>Positive Intent</li></ul></td></tr></table> <p><b><u>DECA - Examples</u></b></p> <ul style="list-style-type: none"><li>Calm himself/herself down</li><li>Handle frustration well</li></ul>	<b>Power</b>	<b>Skill</b>	<ul style="list-style-type: none"><li>Perception</li><li>Acceptance</li><li>Love</li></ul>	<ul style="list-style-type: none"><li>Composure</li><li>Empathy</li><li>Positive Intent</li></ul>	<p><b><u>Teaching Practices</u></b></p> <ul style="list-style-type: none"><li>Invite children to express their feelings and to consider what others might be feeling.</li><li>Acknowledge and accept children’s feelings while helping them express those feelings in appropriate ways.</li></ul> <p><b><u>DECA Practices</u></b></p> <p><u>Initiative:</u></p> <p>Children gain comfort when the adults that surround them provide them with a safe place to explore and express a variety of emotions. When young children learn to label how they feel, they can communicate more clearly and get their emotional needs met.</p> <p><u>Attachment/Relationships:</u></p> <p>Learning to recognize and name feelings and emotions helps children develop trust and learn to play well with others. Skills related to empathy also begin to develop as children (at the most basic level) can begin to think about how another person is feeling.</p> <p><u>Self-Regulation:</u></p> <p>After developing the ability to express and identify their emotions, children are then able to begin recognizing these feelings in others, making them more successful in peer situations as they begin to develop empathy and conflict management skills.</p>
