**COMMUNITY SERVICES** - EightCAP, Inc. Community Services assist income-eligible households with heat and utility assistance, food distributions, transportation vouchers for employment purposes or medical appointments, medical prescription copays, and various needs depending on funding availability. Community Services also offers assistance with MI Bridges, food pantry information and distributions, and referrals to other services not provided by EightCAP. These services are available to low-income households, who have served at least one-day active duty and were discharged under any other circumstances than dishonorable.

The Rapid Rehousing Program is available to literally homeless households (some conditions may apply). This program may pay up to 18 months of rental assistance and security deposit. It is an intensive case management program where clients work to address barriers that are present and develop skills to retain housing and become self-sufficient.
